Title: Online teaching and learning (COVID-19 situation)

To: All Licensed Providers

From: CEO, NCFHE

Date: 25/03/2020

Dear colleagues,

Due to the current Coronavirus disease (COVID-19) pandemic and following the measures taken by the Maltese Government, the NCFHE encourages all Licensed Providers for Further and Higher Educational Institutions to keep supporting their students via online teaching and learning when this is possible.

Providers who will continue offering courses to their students through online learning shall send an email to the NCFHE on accreditation.ncfhe@gov.mt to inform the commission which courses are ongoing online. Providers are requested to seek necessary approval in case of changes in methods of assessment.

Regards,

CEO, NCFHE
