Date: 09/04/2020

Dear colleagues,

The NCFHE has issued its annual call for Data collection on Students enrolled in Qualifications and Awards for the period 2019/2020, to all licenced providers of Further and Higher Education. The questionnaire has been sent to registered providers by e-mail. This data is collected every year, in collaboration with the National Statistics Office, as part of the licence requirements for all licensed Further and Higher Education providers.

All the information collected is used in anonymised format for statistical purposes only. The National Commission for Further and Higher Education, based on Subsidiary Legislation 327.433 Article 5, contemplates administrative penalties on respondents for late submission and non-compliance.

The completed data has to reach the NCFHE via email on research.ncfhe@gov.mt by 8 May 2020. Read more [here](#) about the Annual data collection on students and graduates enrolled in Qualifications and Awards. Any queries should be sent by e-mail to research.ncfhe@gov.mt.

Regards,

Manager Research and Policy, NCFHE
