

Official Notice 005

Date: 8 March 2021

Title: IDEA Academy Awards

MQRIC informs that the programmes of study awarded by IDEA Academy under the name 'Property Agents Award' will no longer be issued with such name, and hence forth, students who successfully complete these programmes of study will be awarded either the 'MQF Level 4 Award for Property Agents' or the 'MQF Level 5 Award for Property Agents', depending on the MQF level of the specific programme undertaken. The change of name has been carried out with the approval of the MFHEA so as to make the previously named programmes distinct from each other, reflecting their different MQF level. Such change of name does not affect the recognition status of the programmes as awarded under the old name 'Property Agents Award', which had been accredited by the MFHEA.
