Non-Operational Providers

Dear Esteemed Providers,

We would like to inform you that, as from 1st October 2022, those Institutions which have not been in operation for six months (i.e. from March-October 2022), or more, will have their licenses restricted as per regulation 13 of S.L. 607.03.

Such Institutions will be notified via postal communication and must subsequently follow the stipulations of their restriction as detailed therein. The restriction of license will in each instance be determined on a case by case basis, and activity from the date of obtaining the license onwards will also be considered. Requests for proof of activity pursuant to the licence will be requested from the MFHEA at any point and of any licensed provider.

With best wishes for the continued success of your Institutions,

Dr Dennis Zammit

Head of Legal and Compliance
