

Webinar on Experiential Teaching & Learning

The Malta Further and Higher Education Authority will be presenting a Webinar on Experiential Teaching and Learning as part of the Erasmus + Programme project 'Support to the European Quality Assurance in Vocational Education and Training (EQAVET) National Reference Points (NRPs).'

The main aim of the Webinar on Experiential Teaching and Learning is to guide VET institutions, their staff, trainers and students as to how experiential teaching and learning can support and enhance student engagement with course material, provide diverse opportunities for collaboration and develop the self-confidence and soft skills of teachers and students alike.

Location : Thursday 11th May, Webinar on Zoom.
