

- **Announcement about the temporary license issued to International European University (IEU), published on 25th July 2023 by MFHEA.**
- **Temporary license issued to International European University (IEU)**

The Malta Further and Higher Education Authority would like to announce that a one-year temporary license has been issued to International European University (IEU). The temporary license was issued on 3<sup>rd</sup> July 2023 and is valid until 03<sup>rd</sup> July 2024. The temporary license allows the IEU to deliver the following programmes from Malta due to the current events in Ukraine. This temporary license will be reviewed annually subject to the international situation in Ukraine.

1. Bachelor of Management
2. Master of Management and Business Administration (MBA)
3. Doctor of Medicine (M.D.)

The programmes being offered by the IEU in Malta fall under the quality assurance system of the National Agency for Higher Education Quality Assurance in Ukraine (NAQA). If students have any complaints or concerns these must be followed accordingly to IEU's regulations and they cannot be pursued in Malta.
