

Official Notice 007

Date: 15th April 2024

Title: Fast Track Procedures

MQRIC informs that it has introduced the 'Fast Track' procedure in the [online application process](#) for recognition of academic programmes. This new feature will prioritize urgent applications for the recognition of academic programmes. Upon the satisfactory submission of all information and documentation by the applicant, MQRIC will release an MQRIC statement within 2 working days.

In the event that it will not be possible for MQRIC to issue a statement within such timeframes, MQRIC will inform the applicant of any reasons behind such impediment. The applicant will thus be offered the option to either retain the fast track procedure, which will keep the application prioritized before all other applications, or else, be entitled for a refund being the difference between the normal application fees and the 'Fast Track' fees, and have the application processed in accordance to regular procedures.

As of 6th May 2024, fees for fast tracks applications shall be:

- €55 for Maltese programmes,
- €130 for foreign programmes.
