Title: Engagement of Consultants and Experts by Institutions

From: Head Accreditation, Validation and Quality Assurance, MFHEA

Date: 25.09.2024

Dear Esteemed Providers

MFHEA informs licensed institutions and prospective applicants for provider accreditation that with immediate effect it shall no longer be accepting any applications, documents, or requested information from consultants/experts unless the Authority is informed by means of written communication by the Head of Institution that the respective consultant/expert will be liaising with the Authority on the Institution's behalf.

Furthermore, no meetings or any other form of communication with consultants/experts shall be held if the said communication is not received by the Authority. It is the sole responsibility of Institutions to inform the Authority in case a consultant is no longer engaged to represent them or act in their interest. The Authority shall not be held responsible in any litigation issues that might arise between consultants/experts and an Institution or a prospective accredited provider.

Sincerely

Lawrence Azzopardi
